Pinstack, North Texas' first state-of-the-art bowling and active entertainment destination, has announced that it will open its doors to the public tomorrow, Friday, January 30.

The 50,000 square foot venue, designed with an upscale palate of bold finishes, will feature a 28 lane bowling experience, ropes course suspended 20 feet above the gaming center, two-story laser tag, bumper cars, LED lit six-lane rock climbing walls, hundreds of interactive games and simulator technology. For those that come with an appetite, a full-service restaurant featuring a chef-inspired menu of modern American classics, stacked bar and craft cocktails is perfect for enjoying before or after gaming. For those visiting to bowl, the new venue will offer elevated, lane-side bites and beverage service from the restaurant, ordered from iPads. The "Bowl Bar," located right next to the bowling lanes, serves guests 24 beers and six wines on tap, top shelf craft cocktails, and full-service, gourmet coffee and gelato bars.

“Pinstack is a playground for kids and all ages with a chef-inspired restaurant and state-of-the-art entertainment,” says Mark Moore, president and CEO of Entertainment Properties Group. “We’ve designed the venue with moms and dads in mind so that when they come to Pinstack for an afternoon or evening, they will enjoy themselves just as much as their kids, if not more.”

Outdoors, the large bar area opens up to a spacious, covered patio with fire pits, big screen TVs and ample seating. Unlike anywhere else in Plano, private dining spaces are available and can hold up to 50 guests.

A private, luxury VIP bowling area is available for those looking to host a party or meeting. Pinstack’s VIP bowling area also features the only lanes in the country created with stunning, witchcraft black hardwood.

Pinstack is located at 6205 Dallas Pkwy in Plano.
